What is Binance Learn And Earn Quiz?

With the goal of helping its customers better understand cryptocurrencies and blockchain technologies, Binance created the Learn and Earn Program.

Users are encouraged to learn more about crypto by reading articles and watching tutorial videos. And then they'll use that knowledge to earn cryptocurrency by taking tests.

These have time-sensitive rewards that decrease in value with time. Both of the introductory classes cost 50,000 SHIB and cost half a billion US dollars.

What is BUSD?

Paxos and Binance created BUSD to be a stable cryptocurrency. To market its Stablecoin as a Service offering to third-party businesses, Paxos employs blockchain technology. Paxos had previously issued a gold-backed stablecoin known as PAX Gold (PAXG). Both BUSD and PAXG tokens are subject to oversight by the New York State Department of Financial Services.

In technical terms, BUSD is a stablecoin whose value is pegged to the U.S. dollar. Paxos keeps reserves in FDIC-insured U.S. institutions or Treasuries backed by the U.S. government in an amount equal to the whole supply of BUSD. BUSD's value moves up or down in tandem with the value of the US dollar. It's the standard stablecoin design, used by the most majority of stablecoins nowadays.
