With more institutional adoption and regulatory clarity, there are a variety of options for investors to choose for crypto exchanges based on their investment preference and demand. Whether you are a beginner or a advanced investor, obtaining huge and sustainable return is your top priority, thus choosing a suitable exchange for promising returns is crucial for all investors.

Key takeaways

- With mission of providing fellow Canadians convenient, dependable, and secure access to Bitcoin and other cryptocurrencies, Bitbuy has grown to become the leading exchange in the Canadian market, offering services primarily to Canadian investors.
- [BTCC](#), one of the longest-running exchange in the world, may be a better choice for users looking for large selection of cryptocurrencies and low withdraw fee.

This article will compare the two major crypto exchanges from major metrics, including supported cryptocurrencies, fees, security, trading features, customer services, service scope and easy of use.

	BTCC	BTCC vs.Bitbuy	Bitbuy
Supported Cryptocurrencies	300+ on BTCC		Only 25+ on Bitbuy
Fees	Compared with other major crypto exchanges, the fees charged by BTCC is relative low, such as only charging 0.06% for both takers and makers	Compared with other major exchanges, Bitbuy charges relative high fees, for example, Bitbuy's Instant Buy and Sell fees are as high as 0.5% while withdrawal fees are 1.5%	
Security	Industry-leading security, with no reported hacks or security breaches to date	High security as it requires two-factor authentication for users	
Features	Provide a large number of service, including spot trading, futures trading, and mining pools	Limited trading features, it doesn't support staking, futures, or a wallet	
Customer Service	Offer excellent customer service via email and live chat	Customer service in Bitbuy is not bad, but unfortunately, there is no live chat or phone support team, users can only contact through email	
Service Scope	Offer service in more than 100 countries and regions with more than 6 million registered users	Only for Canadians	
Ease of Use	Intuitive interface, easy for both newcomers and experienced traders	Offer user-friendly interface

Conclusion

Bitbuy, a Canada-based leading exchange, is indeed a good choice for traders in Canada. However, there is no denying that some disadvantages do exist in Bitbuy, like limited cryptocurrency choice and trading features. That's why we intend to introduce [BTCC](#), the longest running exchange in the world.

As one of the longest-running exchange in the world, BTCC is committed to making crypto trading reliable and accessible to everyone. With a mission of providing a trading platform that is fair and reliable in every sense, BTCC strives to uplift the industry's standard for quality trading. At present, BTCC offers service in more than 100 countries and regions with more than 6 million registered users.

Except for the above-mentioned better points compared with Bitbuy, BTCC also stands out in other aspects, like high liquidity & volume, flexible leverage up to 150x, rich rewards, etc. We believe join BTCC would make your trading journey more delightful!
